PARABLES OF JESUS - Winter 2019

We will be using parables of Jesus this season as the foundation for our teaching. We will ask our participants to do the following:

1. During the week read the parable chosen for the week from the Bible.
2. Answer a set of 5 questions about the parable – these questions will be given to them in the beginning of the season and will be available online to be down loaded.
3. Memorize a verse(s) selected and be able to write the verse on the following huddle time. Only 3 players/coaches will be selected to write the verse

The huddle time will be where the parable will be discussed and the main point driven home. The parables are:

1. The Mustard Seed (Kingdom of God)
2. The Sower and the Seed
3. The Treasure, Pearl of great Value
4. The Prodigal Son
5. The Lost Sheep – Lost Coin (Gospel)
6. Wise and Foolish Builders
7. The Good Samaritan

Make sure that everyone has access to a Bible either online or a physical copy. We will have copies to give to anyone who needs one.

Thank you for your willingness to serve our ministry and I pray that you will allow the Spirit to speak through you and to influence lives this season.
